

WESTERN MICHIGAN ASHRAE RP UPDATE

ASHRAE Research Promotion Recognition

Western Michigan Chapter of ASHRAE had a challenging year in fundraising (2020-2021). Many generous individuals and companies donated to the West MI ASHRAE fundraising events and we are very thankful for that!

For RP (Research Promotion), our chapter had a goal of \$14,000 and unfortunately, we were short of that, coming in at \$7,053. We sincerely appreciate the efforts of a lot of loyal members and member companies. All of the donations are applied directly to many ongoing research projects that benefit our industry.

Thank You for being part of the future of our organization and please continue to contribute to this great cause!

The following RP donors are being recognized at the Presidential Luncheon on December 2nd.

R.L. Deppmann	Howley Agency Sales	Century A & E	Dean Boiler
Trane West Michigan	Armstrong International	Macaire Incorporated	Smart Building Services
Hedrick Associates	Control Solutions Inc.	Johnson Controls	Quality Air Service
PECO	Raley Brothers	Wilson Brinker Assoc.	Mike Boyd
Alfred Woody	Kyle Emmerich	Annie Vanderstelt	Bill Barnhart
